

Anna M. Amest  
Marketing/Care Manager

I've been meaning to write you  
some time now. We were very pleased  
with the care Mom (Marie Kadeu) got  
with your Home Care Services. Ann Forbes  
extended herself way beyond normal care -  
even praying with her because that was  
very important to Mom. and was such a  
comfort. - They become friends - The other 2  
girls who helped a few days were good also.

They were a great help to us and  
eased her final days.

God Bless
