Dear Buddy,

Just wanted to let you know how much we appreciated having Cathy Larabee help take care of our parents for the past five months.

When my mother was discharged from the hospital and we realized how much help we would need, your agency was recommended to us by Hillcrest Hospital. Since this was a new experience for us, we really didn't know what to expect.

What a wonderful caregiver Cathy is! She is efficient, very kind and caring, and above all, very patient and understanding. In addition to caring for my mother, she also had to help in certain areas with my father. In caring for my father, her patience and understanding were tested many times!

We are very grateful to Cathy for her help and for being the special kind of person that she is. We wish her nothing but the best in her future endeavors.

Sincerely yours,
