

Near Denia

Working with you was a pleasure. It was always very easy to reach you.

No request was ever turned down.

Tanya was a good choice. She took excellent care of mom. Mom was always clean & there were no redneck areas.

Mom so enjoyed your visit. She mentioned it several times.

As a case manager I would recommend your agency. I am now doing documentation review for medicine, but will let my colleagues know of your service.

Please come to Euclid & present your agency.

Thank you for helping make mom's last months comfortable & dignified.

Sincerely
Marilyn Belton
