Accountable Home Health Care  
8353 Clover Ridge Road  
Chagrin Falls, Ohio 44022

To Whom It May Concern:

Over the last few days, due to the rapidly failing health of a dear friend, a medical emergency arose which required the immediate and continuing attention of a home health care aide. Mr. Buddy Mouver responded immediately to our crisis, and despite the lack of time, he was able (by some miracle) to send us a qualified aide, almost immediately. The home health care aide he sent was sensitive, considerate and responsible; just the person I would want in such a situation.

Accountable Home Health Care is to be commended, for extending themselves beyond the boundaries of a job.

Very truly yours,

Esther S. Weissman
