

My father  
died last evening at  
10:30 pm so I will no  
longer be needing  
my aides. I cannot  
thank you enough,  
however, for having  
supplied me with  
such caring and  
wonderful workers  
they were outstanding  
while dealing with  
my father, even  
when he was  
very difficult.

Gail Davis and  
Sylvia Monroe  
provided excellent  
care and were a  
great source of  
support and  
comfort to me  
as Dad neared  
the end. My  
doctors were very  
pleased that I  
had such good  
help and especially  
on Sylvia's night  
shift, did not  
compromise my  
health while keeping  
Dad at home.

Sincerely,  
BJ Welty
